MEMORANDUM FOR:

SUBJECT :

Recommendations for the Quarterly Report

Purge status report - include the charts given out at the meeting.

Say what components are doing on microfilm and fiche.

Highlights that may be picked up from the other Directorate Reports. He only had his and Gerry's to look at.

He thinks this report should be short.

Doesn't think we should unduly emphasize the purge.

No further recommendations.

He'll be on leave for two weeks. If you have any questions you can call
